ORANGE COAST MEMORIAL FOUNDATION

Leaving a legacy – In search of a cure...

The purpose of the Orange Coast Memorial Foundation is to develop financial resources, through philanthropy, to help strengthen Orange Coast Memorial's ability to fulfill our mission to improve the health and well-being of our community.

As the only not-for profit hospital in our area, we are able to keep pace with advances in medical science and patient care only with the participation of the community we serve. It is your involvement and generosity to the Orange Coast Memorial

Foundation that allows us to continually update and shape our services, accommodating the ever-changing needs of our patients.

For further information about how to get involved in supporting the Orange Coast Memorial Foundation, please call 714-378-7478.
